- **Parade-** Ernie Reported that the L.A. Parade went really well for us this year as far as for Marketing Las Vegas Pride. The addition of the decorated new van and the additional 6 show girls got allot of attention to people wanting to take lots of pictures with our royalty and marketing team. We had allot of professional photographers from different magazines out there taking multiple pictures. The pictures should be up on Facebook, the website and MySpace very soon.

Ernie made the

motion for the next weekend he holds a pool party that we attend and show support and Brenda seconds the motion, the vote was taking and the vote passes.

- **Food & Beverage-** Mike had mentioned that he and Brenda will go to storage the day after the meeting to try and work on finishing the inventory of the liquor, soda and water. Mike spoke with Sinsity Kettle about their bounced checks and he gave them Matt Cox's phone number to contact about how much is owed exactly and as of this meeting they had not contacted Matt about this matter.
