SOUTHERN NEVADA ASSOCIATION OF PRIDE, INC. NAMES NEW EXECUTIVE DIRECTOR, ERNIE YUEN

In an effort to expand program and event offerings while continuing to further our mission of invoking, promoting, and celebrating lesbian, gay, bisexual and transgender pride, the Southern Nevada Association of PRIDE, Inc. (SNAPI) is pleased to announce the naming of a passionate, dedicated and experienced Executive Director, Ernie Yuen.

This new, full-time position will focus on expanding the programs and events offered throughout Southern Nevada by SNAPI while ensuring that the organization holds true to our mission. Well known in the Las Vegas LGBT community for his many years of dedicated service and commitment to SNAPI and the Las Vegas PRIDE events, Ernie has the creativity, experience and commitment to meet these needs as well as an intimate familiarity with the operations of the organization; having served in many capacities on the board since 1998 including President, Vice President and Committee Chair.

As a volunteer and board member, Ernie has been instrumental in creating and/or producing many Las Vegas PRIDE events for the LGBT community of Southern Nevada such as PRIDE Family Bingo, Rainbow Fest, PRIDE Pets, NCOD, PRIDE Royalty Pageants, the Annual PRIDE Night Parade and PRIDE Festival. Chances are that if you have attended any Las Vegas PRIDE event since 1998, Ernie has been an integral part of the production of that event. It is because of his experience and commitment to the organization that he was selected to serve as the first Executive Director for SNAPI.

As Executive Director, Ernie will be responsible for maintaining event growth, revenue generation, programs and event planning and execution. He will also be integral in promoting Las Vegas PRIDE to the international community

In addition to his nonprofit experience, Ernie also brings with him more than 30 years of senior management and consulting experience, with a focus on training, recruitment, customer experience and food and beverage. His experience in the hospitality industry has proven invaluable to SNAPI in the creation of our current programs and we look forward to his coming contributions as Executive Director.

Please join us in welcoming Ernie Yuen as SNAPI's new Executive Director!

The Fall Halloween picnic is WAF's biggest event and every year it gets bigger and bigger. Typically we have 50-75 people and last year we had over 125 people. The picnic follows LV Gay Pride where we have new member's signup and it rekindles old members to be active again. It is a great event for the new members to meet WAF and see what we are all about. This has been an event where we have seen numerous families develop new lifelong friendships who would have never meet each other in their normal daily lives.

The picnic consists of a potluck, games for the kids – pumpkin bowling, piñata, and costume contest, music, laughter and spooky delights! We supply the games & piñata full of candy plus give prizes for the top 3 costumes.

How can SNAPPI help? With last year's size we feel it is really important to reserve a park location to guarantee us a spot with BBQ and

and attach original receipts and a copy of the purchase request. In the case of meals, the statement must include the names of all persons at the meal and a brief description of the business purpose, in accordance with IRS regulations.

6. *Approval by Treasurer.* The cardholder must give the expense detail form to the Treasurer for approval. The Treasurer shall review each purchase to ensure that it was reasonable, necessary and the best value for the organization. The Treasurer will reconcile the expense detail form to the credit card billing statement, authorize payment and follow up on any inconsistencies.

7. *Notification of Loss/Theft.* The cardholder must notify the bank and the organization immediately in the event that the card is lost or stolen.
