HRC Proposal PRIDE 2014 Support	Motion Passes	

#### PROPOSAL IDEA:

The Human Rights Campaign (HRC) and the Southern Nevada Association of PRIDE, Inc. (SNAPI) will partner together to produce the 2014 Las Vegas Pride Festival and promote LV as a destination PRIDE throughout the US. First we envision a poster and/or palm card made up that we display at all Pride events and 'PRIDE like events' HRC will attend prior to September 6<sup>th</sup> advertising Las Vegas Pride as a Destination Pride and in collaboration with HRC. We are planning a national raffle/contest whereby the winner receives four round trip tickets to LV, hotel stay, entry to PRIDE, VIP seats at Parade, and perhaps some other local perks. The idea is "you and three friends....". Also, we may try to do more than one trip, could be up to four, but hoping for at least two. (Eastern US drawing and Western US drawing).

We can run into some legal hurdles when it comes to a national raffle. State law prohibits us from being able to conduct raffles in some markets. At Prides in these markets, we would provide exposure for Las Vegas Pride as at all other events, but would legally be unable to market the raffle. However in other states perhaps the easiest way for the raffle to work is to make one or more of the slots on the Pride Wheel a "Las Vegas Pride Raffle Entry". (HRC has a wheel people spin to win.) People stand in line always to spin the wheel to win a shirt, or similar, and with the banner/poster at the booth promoting chance to win trip to LV, it will create more interest.

This fiscal year, HRC anticipates participating in roughly 185 Pride events, of which approximately 120 happen before Las Vegas Pride. We estimate that we have visibility to approximately 8,000,000 individuals through our presence at Pride festivals around the country.

#### **Duties of HRC**

1. Promote Las Vegas Pride through as noted above through various marketing as well as a national drawing as premier destination pride event and perhaps as *"make Las Vegas your last Pride of Summer"* campaign at Pride and "Pride like" events in which HRC has a presence and in which local laws allow such drawing, prior to and leading up to Las Vegas Pride 2014. The "spin the wheel" drawing will include specific landings for PRIDE Las Vegas in which anyone who lands on such will obtain an entry into the national contest. In addition, signage will be posted at these events. HRC shall provide at least one grand prize of four (4) round trip airline tickets to Las Vegas, and room/suite stay at a Las Vegas property. (IE: "You and three friends will win a trip to Las Vegas") *HRC may provide an additional drawing, with idea of one from the east side and one from the west side of the US.*
2. Operate an online ticket sales platform for sale of tickets to Las Vegas Pride, incur processing fees for online transactions, and provide regular updates to Pride committee on number of tickets sold. HRC will operate a will-call area for advance purchasers. In addition, HRC will manage and fully staff the onsite ticket sales booth (cash & credit), provide ability to collect via credit/debit card (and to incur processing fees), and HRC staff/volunteers will facilitate the entry/gate area including bag check and wrist banding.
3. Utilize HRC volunteers to staff and operate a drink ticket sales booth adjacent the HRC membership booth during festival for the sale of drink tickets. (HRC will still purchase as in the past the double booth at LV PRIDE)
4. Additionally market Las Vegas Pride by email as a 'Premiere Destination Pride Event' to HRC's

**FOR IMMEDIATE RELEASE**

**LAS VEGAS PRIDE TO PRODUCE OWN GUIDE TO  
LAS VEGAS PRIDE 2014**

For the very first time in the organization's history, Las Vegas Pride will produce their own "Guide to Las Vegas Pride 2014" in-house. "We are really working hard to make this year's pride guide different. In the past, we have never had 100% control of the content and design," said President of Las Vegas PRIDE Ernie Yuen. "We are excited to open this new chapter for our organization. Las Vegas PRIDE was one of the few west coast pride events not producing their own guide."

The new approach is expected to produce a stylish event guide with a focus on creating a guide that everyone in Las Vegas can be proud of. The first noticeable change will be in the publication's size; with a change from last year's digest size to a full-color standard size magazine. This will provide greater value to our sponsors and advertisers. Full page, half page and quarter page ads are available. Early bird discounted rates will be offered and pricing is affordable. Release of the Guide is also scheduled for early August with a distribution across the west coast. Twenty-five thousand copies are scheduled for print.

Guide to Las Vegas Pride 2014 will be filled with details on our annual events, the PRIDE Festival, PRIDE Night Parade, various activities, entertainment, sponsors and supporters. We will also include Festival and Parade route maps. The Guide is also expected to include a variety of articles that focus on education and current issues facing the LGBT Community.

The guide will be a community-based publication read by thousands of Las Vegas locals. Local authors, historians and community members have already agreed to provide articles and historical information for the project. In addition, sister PRIDE organizations have also agreed to assist with this exciting new endeavor. Please contact [Prideguidelv@lasvegaspride.org](mailto:Prideguidelv@lasvegaspride.org) for more information
